3CX Enterprise Edition + Sangoma A101D Bundle upto 32 Simultaneous calls

3CX Traditional telephony systems in organisations tend to be complex, expensive and inflexible requiring proprietary hardware, dedicated wiring and specialist support to install, configure and reconfigure whenever changes are required - this no longer has to be the case... Sangoma Sangoma's NetBorder Express portfolio is a complete SIP-compliant VoIP Media Gateway solution, delivering cost effective solutions for developers, system integrators, and OEMs in a convenient PCI or PCI Express form-factor.
