

3CX Phone System Hotel Edition

Product Name: 3CX Phone System Hotel Edition

Manufacturer: 3CX

Model Number: 3CXH

3CX Phone System Hotel Edition

Slash your PBX costs with 3CX Phone System HOTEL Edition. Switch to a VoIP phone system and halve your Hotels phone & PBX bill! 3CX VoIP Phone System is a modern, software based VoIP Hotel PBX that is easy to manage and very cost effective to buy. It includes special hotel features and allows you to replace your old and expensive Mitel, Nortel, NEC, Siemens or other Hotel-PBX. You can easily re-use the existing analog phones in your hotel rooms - there is no need to upgrade them to IP phones. You will cut your phone bill in half, and do away with any Hotel PBX maintenance costs and/or lease rates. Key benefits

- Cut phone bill in half by using VoIP for outbound calls
- Buy outright for as little as \$10,000 - Example costing here
- Re-use your analog phones in your hotel rooms
- Display guest name on reception, room service, management phones
- Provides wake up calls, checkin/checkout, Do Not Disturb
- Maid status allows housekeeping to set room status via phone
- Integrates with many Property Management Systems via several interfaces
- Includes an easy to use Web Interface for Hotel staff
- Print log of calls made during Guest's stay
