Product Name: Aastra OpenLine QSIG-IP 1
Manufacturer: Mitel Aastra
Model Number: 4516706

Availability: In Stock

OpenLine QSIG-IP 1

QSIG over IP allows communications systems at remote sites to be net-worked over IP routes. A licence is required for each end (networking between several Aastra 800 systems or with OpenCom 100 and 1000).
