

Algo Horn Speaker 1185

Product Name: Algo Horn Speaker 1185

Manufacturer: Algo

Model Number: 1185

Please Note: The Algo 1185 has been discontinued. For an alternative, we recommend the Algo Horn Speaker (1186).

Algo 1185 Horn Speaker - Weatherproof Horn Speaker for Telephone Loud Ringing and Paging Notification

The Algo Horn Speaker 1185 is a weatherproof Horn Speaker selected for use with Algo's 1825 Duet Plus Loud Ringer and the 8180 SIP Audio Alerter. Ideal for attention-getting voice or telephone signaling applications in high ambient noise or outdoor applications, the 1185 is driven by a power amplifier in the Duet Plus (or the 8180).

Key Features of Algo 1185

- Rugged weatherproof white plastic enclosure with stainless steel hardware
- Suitable for indoor or outdoor installation
- Interfaces easily with the 1825 and the 8180 to provide increased ringing or voice notification volume (up to 112 dBA spl at 1m (3.3ft.)
- No power supply required - draws power from the 1825 or 8180 devices
- Wall-mountable and adjustable ABS plastic base
- 8 ohm speaker rated at 20 watts

Applications

- Machine shops
- Outdoor work yards
- Factories
- Warehouses
