

Grandstream GXV3674 HD VF IP Camera

Product Name: Grandstream GXV3674 HD VF IP Camera

Manufacturer: Grandstream

Model Number: GXV3674_HD_VF

Grandstream GXV3674 HD VF IP Camera

The Grandstream GXV3674_HD_VF IP Camera is an outdoor HD IP camera with day and night capability utilizing both infrared LED and a mechanical IR cut filter. An Image Sensor Processor combined with a vari-focal lens ensures high video quality.

Grandstream GXV3674_HD_VF IP Camera Features and Functions

- Box Camera
- Vari-Focal lens
- Focal Length: 2.8 ~ 12mm
- Image Sensor Type: 1/3", 1.2 Megapixel CMOS
- Zoom Capability: No
- Resolution: 1280x720 (30fps)
- Wide Dynamic Range of 120dB with SNRMAX 44dB
- Power Requirement: PoE (IEEE 802.3af)/ 12V DC
- Outdoor: Yes IP66 (14 - 113 F)
- Vandal Proof: No
- Compression format: H.264, MJPEG
- Audio: 2-Way
- Software: GSurf
- ONVIF

Grandstream GXV3674 HD VF IP Camera - Technical Specifications

Video Compression

- H.264, JPEG, Motion JPEG

Image Sensor

- Aptina 1.2 Megapixel, 1/3" CMOS Sensor

Lens

- 1/3", MEGA, f=2.8-12mm, F1.4

Max. Video Resolution

- 1280 x 960

Audio In / Out Port

- 3.5mm Line-in & Line-out

Features

- PoE
- Mechanical IR_CUT
- Multi-streaming rate

Security

Grandstream GXV3674 HD VF IP Camera

- Optional date/time watermark, HTTPS, Password

Operating Temperature

- -20C ~ 50C (-4F ~ 122F)

Pre/PostAlarm Buffer/Snapshots

- 8MB Alarm buffer, shapshots triggered by event, sent via email/FTP

Network Port

- 10/100M Network Port with Integrated PoE

Price: £149.35
