

# Konftel 220 Conferencing Phone

Product Name: Konftel 220 Conferencing Phone

Manufacturer: Konftel

Model Number: KTEL\_220

## Konftel 220 Conferencing Phone

The Konftel 220 Conferencing Phone is a user-friendly analogue conference phone with the same outstanding audio quality as Konftel's more advanced models.

### Konftel 220 Conferencing Phone Key Features

- OmniSound HD Technology
- Speed Dialling Keys
- Two-Year Warranty

The patented OmniSound<sup>®</sup> HD technology guarantees crystal-clear audio in all directions. The Konftel 220 is designed to help you quickly get started and is easy to use. The five speed dialling keys can be pre-programmed to make it fast and easy to call the most frequently used numbers. Just press one key to launch your meetings! The Konftel 220 has a stylish Scandinavian design similar to that of its cousins in the 300 series. It looks smart on your desktop and in smaller conference rooms. The Konftel 220 is a professional and reliable choice for offices with analogue phone systems.
