Phoenix Audio Quattro3 MT304 USB and Power Daisy Chain Conference Speakerphone

Product Name: Phoenix Audio Quattro3 MT304 USB and Power Daisy Chain Conference Speakerphone
Manufacturer: -
Model Number: MT304

Phoenix Audio Quattro3 MT304 USB and Power Daisy Chain Conference Speakerphone
The Phoenix Audio Quattro3 MT304 (Q3) is a high-quality conference speakerphone that will turn any room into a professionally sounding conference room. It has an exceptionally large pickup and broadcasting range, yet is small in size and discrete in design. The Q3 utilizes multiple microphones, a uniquely designed speaker, and a powerful DSP to achieve commanding performance. The MT304 model connects to any computer and allows you the option to power a Q3 daisy chain link via one power source without the need of another interface.
The Q3 MT304 is an ideal USB solution for:

• Large locations that require a daisy chain link but have only one power source
• Quattro3 ceiling installations
• Small offices or home offices
• Small to very large conference rooms
• Classrooms and training rooms

The Q3 is compatible with PC (Windows and Linux) and Macintosh (MAC OS).

Phoenix Audio Quattro3 MT304 USB and Power Daisy Chain Features

• Four microphone beamforming array
• Full duplex communication
• Echo cancelling
• Noise suppression
• De‐reverb
• Automatic gain control
• Daisy chainable
• Single source daisy chain powering
• Interchangeable interface modules
• Durable aluminum casing
• LED lit control buttons

Whats included

• USB cable
• International power supply adaptor
• Daisy chain cable (Ethernet)
• Interchangeable wire slot cover
• User manual

Technical Specifications

Connections

• UBS interface (mini B connector)
• 3.5mm external loudspeaker and microphone jack
• Volume Up / Volume Down buttons
• Daisy chain expandability of up to 15 units
• Power consumption: 5V 500mA peak through USB and wall mount AC/DC converted.

Audio

• Frequency response 50Hz – 16 KHz
• Low latency (10ms)
• Broadcast level (peak): 92dB SPL @1m (5 watts RMS)
• Noise cancellation > 10dB (without pumping noise)
• 100% full duplex – no attenuation (in either direction) during full duplex
• High-end performance confirms to ITU-T G.167
• Acoustic echo cancellation > 40dB with conversion speed of 40dB/sec
• Residual echo is suppressed to the environment noise level, preventing artificial ducking of signal
• 4 high-quality directional microphones
• Direction-finding algorithm (determines the presence and direction of a speaker)
• Beamforming algorithm (forms and directs audio beams towards a defined direction)
• Automatic voice-level adjustment (AGC)

Dimensions

• Dimension: 7” diameter, 1-7/8” height
• Weight: 1.75 lbs
• Metal case and metal grill mesh for high RFI immunity and product durability

Software

• Plug-and-play - No installation or drivers

Phoenix Audio Quattro3 MT304 USB and Power Daisy Chain Conference Speakerphone

• Audio setup utility is available for Windows
• The setup utility helps monitor the audio input and output level but is not required
• Recording utility is available for Windows
• Recording utility allows you to record conversations to your computer via the device
• Operating systems: Windows 98 and up / Linux / MacOS

Accessories

• USB cable
• International AC adapter
• Daisy chain cable (Ethernet)

Warranty

• Two years

Price: £466.00
