Product Name: Snom D710 VoIP Phone
Manufacturer: Snom
Model Number: D710

Snom D710 VoIP Phone
The Snom D710 is built from the ground up for HD audio. Its ergonomically designed handset has an advanced speaker and microphone system. By supporting a broad range of codecs, the phone delivers superior, crystalclear call quality in both handset and handsfree use. Intuitive user interface.
Snom D710 Key Features

• Wideband audio
• 4-line backlit display
• 4 context sensitive keys
• 5 configurable function keys with LEDs
• 4 SIP identities

The D710 features a four-line black and white graphical display. The four context-sensitive keys and an intuitive, user-friendly menu, makes using the D710 easy. Five programmable function keys with built-in LEDs for visual call indication can be configured for a variety of one-touch telephony functions such as speed dial, busy lamp field or presence indication.
