

Snom MeetingPoint Extended Microphone

Product Name: Snom MeetingPoint Extended Microphone

Manufacturer: Snom

Model Number: MEETINGPOINT-EXMIC

Snom MeetingPoint Extended Microphone

Snom Expansion Microphones for Snom MeetingPoint Conferencing Phone (One Pair)

The additional microphones for the snom MeetingPoint extend the audio radius of your conference telephone to up to 70m².

The integrated OmniSound[®] software automatically detects the additional microphones and thus extends by itself the working range of your snom MeetingPoint.

Price: £121.84
