SpectraLink 7540 DECT Handset

The SpectraLink 7540 Handset is designed for administrative working environments. The SpectraLink 7540 looks to increase employee mobility and productivity for workers. The SpectraLink 7540 was previously the Polycom Kirk 5040. SpectraLink 7540 Key Features

- TFT color display
- 65.000 colors
- 8 lines of text/icons
- 128 x 160 pixels
- Li-ion battery
- 4-way navigation key
- 2 soft keys

The SpectraLink 7540 is an elegant, yet robust handset with a long list of features. The large color display and the intuitive menu structure make the KIRK 5040 a valuable tool and a preferred choice for mobile workers in administrative working environments.

If you require a belt clip you can purchase the Polycom Kirk Belt Clip for 50xx Series here Please see the information below if you are not sure what size system or type of technology suits your needs most:
