

UCP for EPM (25 Year License) - Sangoma FreePBX Add-On

Product Name: UCP for EPM (25 Year License) - Sangoma FreePBX Add-On

Manufacturer: Sangoma

Model Number: FreePBX-UCP-EPM

UCP for EPM (25 Year License) - Sangoma FreePBX Add-On

The UCP for EPM module allows for end users through the FreePBX User Control Panel (UCP) to change and override any of the buttons setup for their phone by the Commercial End Point Manager. All changes done by the End User only apply to their phone as a override from admins created template.
