

Ubiquiti UniFi Pro VoIP Phone (UVP-Pro)

Product Name: Ubiquiti UniFi Pro VoIP Phone (UVP-Pro)

Manufacturer: Ubiquiti

Model Number: UVP-Pro

Ubiquiti UniFi Pro VoIP Phone (UVP-Pro)

Designed to easily integrate into a UniFi network, the Ubiquiti UniFi Pro VoIP Phone (UVP-Pro) provides the same great set of features included with the base model, and also offers a built-in camera and Wi-Fi functionality.

Ubiquiti UniFi Pro VoIP Phone Key Features

- 5-Inch, High-Definition, Multi-Touch Color Display
- Powered by Android
- Bluetooth Support
- High-Fidelity Audio
- Built-In Camera
- Wi-Fi Capability

The UniFi Pro VoIP Phone is an enterprise desktop smartphone solution with a brilliant, high-definition color display designed for modern communication, organization, and productivity. Built on Android and integrated into Ubiquiti's UniFi Enterprise System, the UniFi Pro VoIP Phone is the next generation standard for corporate communications. Download and install your favorite apps, stream media, browse the Internet, and access content created and stored in your Google accounts. Each phone can be uniquely personalized, while all the phones are easily deployed and managed with UniFi software.

Plug and Play Installation Use a standard Ethernet cable to connect and power the UniFi Pro VoIP Phone with a UniFi Switch (or other 802.3af compliant switch). The UniFi Pro VoIP Phone is designed to integrate with the UniFi Controller and UniFi Security Gateway, so the phone is automatically provisioned for fast deployment.

PBX Integration Ubiquiti's proprietary SDN software, the UniFi Controller, readily integrates with a scalable PBX system for management of features such as call logging, auto attendant, voicemail, and mass configuration. Such ease of use makes the UniFi VoIP Phones ideal for quick deployment in small businesses, corporate locations, schools, and hotels.

Powered by Android The UniFi Pro VoIP Phone is powered by the Android operating system. Access media content, browse the web, and visit the Google Play store to download and install your favorite apps.

Elegant Design The UniFi Pro VoIP Phone features a sleek and elegant industrial design.

5" High-Definition, Multi-Touch Color Display Navigate the UniFi Pro VoIP Phone using the touchscreen display.
