Does your company do outbound dialing? Would you like to automate the process? If so Broadcast is for you. Simply Start a Campaign and choose where your calls will be routed to. It even gives you the option to route calls based on whether they are answered by a person or an answering machine. To make it even easier, you can also choose to get reports on your campaign daily or after the campaign completes. Stop dialing each individual number and contact a Sales Representative today to see how you can benefit from Broadcast!
