

# snom 7xx Adapter Cable

Product Name: snom 7xx Adapter Cable

Manufacturer: Snom

Model Number: SNOM7XX-ADAPTER-CABLE

## snom 7xx Adapter Cable

The snom 7xx adapter cable is designed for the connection between the proprietary snom port on 7xx phones and the snom EHS Advanced Headset Adapter. The cable will only function when used with the Snom EHS Wireless Headset Adapter.

NOTE: The cable is included in boxes labelled "snom EHS Advanced V2.0". You need to order the cable separately only if you have an older version of the snom EHS Advanced (i.e., if there is no version number on the box) (PN 0003383).

NOTE: The footstand needs to be removed temporarily for connecting the cable.

**Price: £14.50**
