

snom Bluetooth headset and USB Dongle Bundle

Product Name: snom Bluetooth headset and USB Dongle Bundle

Manufacturer: Snom

Model Number: SNOM-BT-AUDIO-BUNDLE

Please Note: The snom Bluetooth headset and USB Dongle Bundle has been discontinued. For an alternative, we highly recommend the snom Bluetooth Headset.

snom Bluetooth Headset and USB Dongle Bundle

This Bluetooth compatible combination of wireless headset and USB adapter was developed specifically for the snom 720 IP phones and is now also compatible with the snom 760 IP Phone. The snom USB BT is a USB bluetooth adapter that can also be used to connect other Bluetooth compatible headsets to the snom 720 or snom 760.

The snom HS BT is a bluetooth headset and can be paired with up to seven Bluetooth compatible devices simultaneously. If you receive a second call while in a conversation, you can either reject the second call or put your first call on hold and accept the second call.

snom USB BT - Bluetooth USB dongle

Using the snom USB BT enables you to connect your snom 720 or 760 phone to a wireless Bluetooth compatible headset like the snom HS BT, allowing you to receive calls wherever you are in the office.

snom USB BT Key Features:

- Compatible with Bluetooth specification V2.1+EDR
- USB V1.1
- Compatible with Bluetooth Profiles HFP, HSP A2DP, and AVRCP
- Supports snom 720 and 760
- Pairing button with LED for easy pairing
- Compatible with snom HS BT headset
- Compatible with other V2.1+EDR headsets
- snom USB BT works with Windows XP, Windows Vista & Windows 7

snom HS BT & Bluetooth Headset

The snom HS BT can be paired with a snom 720 and 760 via the snom USB BT and up to seven other Bluetooth compatible devices (mobile phone/cell phone, notebook, etc.).

A fully charged snom headset BT can last for approximately 5 hours of call time or 150 hours of standby and has a range of up to 10 meters. The snom HS BT headset includes soft gel earplugs in three different sizes and can be adjusted to fit either the left or right ear.

snom HS BT Key Features:

- Compatible with Bluetooth V2.1+EDR
- Precision DSP technology
- Dual Microphone noise canceling technology
- Multi-Point Device Pairing
- Pairing with up to 8 Bluetooth devices
- Quick charging Li-Ion battery
- Micro-USB charging port
- Soft gel ear tips in 3 sizes with detachable ear hook, adjustable for left and right ear
- Up to 5 hours talk time
- Up to 150 Hours Standby time
- Up to 10m Range
