

snom D765 VoIP Phone

Product Name: snom D765 VoIP Phone

Manufacturer: Snom

Model Number: D765

Snom D765 VoIP Phone

Featuring a 3.5" high-resolution color TFT display the Snom D765 brings visual information presentation to a new level. Rich information such as presence and photocaller-ID is attractively displayed. A total of 16 freely programmable multicolor function keys give the user high versatility. Each function key can be configured for a variety of one-touch telephony functions such as speed dial, busy lamp field or presence indication.

Snom D765 Key Features

- High-resolution color display
- 16 LED function keys
- Wideband audio
- USB connectivity
- Gigabit switch
- 12 SIP identities
- Built-in Bluetooth-compatibility

The D765 features two Gigabit Ethernet ports to fulfill even demanding requirements. Built-in Bluetooth compatibility and a Hi-Speed USB port allow for easy connection of various accessories like a USB or Bluetooth headset, a WiFi stick, or the D7 Expansion Module.

The advanced speaker and microphone system and the Digital Signal Processor (DSP) ensure that the D765 delivers best audio performance. Whether you use the hands-free speakerphone or the handset, you will always experience superior, crystal-clear call quality. The D765 is the perfect companion for users requiring cutting-edge design and high-end functionality. The D765 simply goes one step beyond.
